**ABSTRACT** of the Regulation of Government No. 9, 1825 consolidating and amending the former Regulations respecting the Collection of Sea Customs in Ceylon.

THE Duties on Goods imported and exported are in general levied according to rates stated in certain Tables herewith published.

In the instances of articles not enumerated in the Tables, the Importer shall produce his Invoice, and shall be charged duty on the value at the rate of 5 per Cent on Goods the produce of Europe imported in British Vessels, and at the rate of 10 per Cent on other goods likewise imported in British Vessels; and  $7\frac{1}{2}$  per Cent on goods the produce of Europe imported in foreign Vessels and 15 per Cent on other goods in like manner imported in foreign Vessels.

Where no Invoice exists, or that produced is suspected, the Collector shall appraise the goods at his discretion.—(V. C. 4.)

If the owner be dissatisfied, three appraisers, one to be appointed by the Collector, another by the owner, and they two to choose a third, are to value the goods, and the decision of two of them is final.—(Vide Clause 4.)

Cotton Cloths the duty levied upon which, as specified in Tables No. 1 and 2 depends upon the Assortment of the Cloth, as assorted by the importer, and if the Custom House Officers are not satisfied with the assortment, it is referred to three arbitrators, one named by the Collector, the second by the Importer, and they two to choose the third, and their decision is final. If the Importer has put more than a third of any particular portion of his Cloth into an inferior class, he shall be liable to pay double duty.—(V. C. 5.—)

Such Cloth as is to pay advalorem, is to be appraised by the Government appraiser at its price in this market, subject to reference to appraisers chosen as above mentioned.—(V. C. 6.)

Where duty is ascertained from Tables, or by assessment on appraised value, if the goods are imported in Foreign Vessels, one half more is to be added to the rate excepting it shall be made appear by the Master &c. of such foreign vessel that at the Ports of the Country to which such Vessel belongs, similar articles if exported to this Island in British vessels are only liable the same rates of duty as if exported in vessels belonging to the said Country.—(V. C. 8.)

Goods exported in Foreign vessels liable to a duty of eight per Cent advalorem over and above the duties on such goods when exported in British Vessels; unless it shall be proved that no higher duty is levied in the Ports of the Country to which such Foreign vessel belongs on such articles, when imported in a British vessel, than when imported in the Vessels of that Country itself, and that such articles when so imported in British vessels are entitled to the same privileges and advantages with respect to Warehousing, and internal consumption, or otherwise, as when imported in vessels belonging to such foreign State.—(V. C. 9.)

## GOVERNMENT ADVERTISEMENT.

IT Having become expedient to assimilate the rates of Boat hire of Artificers, and of Coolies and other Port Charges at the Ports of Colombo, Trincomale and Galle to the present Currency of the Island being British Sterling Money, and to make certain fractional alterations in converting the same, His Excellency the Governor with reference to the Regulations of Government No. 13 and 19 of 1824 is pleased to direct that the following Schedule of rates be substituted and established at the aforesaid Ports accordingly and charged on all such occasions to which they refer.

With respect to the charge for Anchors and Grapnels, His Excellency desires it may be distinctly understood that it is not the intention of Government to interfere with the Merchants or other Individuals in supplying the Public in General, and that the charge is merely inserted, that in cases of necessity from the absence of other means of supply, a fixed rate may be known at which Anchors and Grapnels can be had from Government.

By His Excellency's Command,

(Signed,) JOHN RODNEY,
